

ISIS Mini Symposium

Chemical stability of the Genome

Sidney M. Hecht

Center for BioEnergetics, Biodesign Institute
Arizona State University

Thomas Carell

Ludwig-Maximilians-Universität Munich,
Department of Chemistry

Monday, May 9, 2011

Schedule :

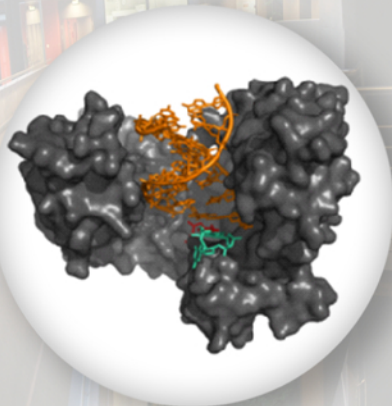

15:00-16:00 Sidney M. Hecht

"Protein Synthesis Using Tandemly Activated tRNAs"

16:00-16:30 - Coffe break

16:30-17:30 Thomas Carell

"The Chemistry of Genome Maintenance"

Contacts: Marco Cecchini & Daniel Riveline (contact@isis.u-strasbg.fr)

ISIS, 8 allée Gaspard Monge, Université de Strasbourg
